FEEDBACK AND STUDENTS GRIEVANCE REDRESSAL COMMITTEE

ONLINE FEEDBACK BY PARENTS ON CURRICULUM

AND INFRASTRUCTURE AND SUPPORT FACILITIES: 2022-23

Actions taken for the Suggestions given by Parents: 2022-23

Feedback by the Parents	Action Taken
Department of Physics	
o Course 'Forensic Science' can be introduced	Certificate in Forensic Science Course is offered by Department of Chemistry.
o Kindly arrange for industrial visit	Industrial Visit is arranged for our students every year.
Department of Chemistry	
o Diploma Programme in AI (Artificial Intelligence) can be introduced	The suggestion will be represented to the CDDC.
o Internship Training can be made mandatory for PG Students also.	Internship for PG is included in the Syllabus Revision 2023.
Department of Computer Science	
o Course on 'Robotics' can be introduced	It is planned to conduct workshop on 'Robotics'
o Do not allow laptops in hostel. Arrange for a separate sophisticated browsing centre under the supervision of sub-wardens	A browsing centre under the supervision of sub-wardens already exists in the hostel. Interested students permitted to use their laptops.
o We want College bus during the examination for extra courses also. Duration of college hours for students from long distance is not suitable so please reduce the collegehours.	The suggestion regarding college bus is forwarded to the Commuter cell.
o More number of classes can be conducted via projector.	Regularly ICT classes are conducted for the students based on the course requirements by the course teachers.
Department of Information Technology	
o IoT Lab can be introduced	Signing MoU with Van Technologies, Chennai, Every year we are conducting hands on training program on IoT.

Department of Commerce [Professional Accounting]	
o Do pass information to parents regarding Timings of the college.	Timings of the college are informed in PTA meeting and Ward Meetings regularly.
o Every semester a computer course can be offered	In our Curriculum already three computer courses offered in 2020 syllabus. Apart from that, lot of extra computer courses offered by various departmentsas Certificate and Diploma Programmes.
o Course on 'Money Management' can be introduced	The suggestion by the parent will be considered during the next syllabus revision.
o Tally course can be introduced	Already the course is being offered in both Syllabus 2020 and Syllabus 2023.
o Sessions related to improving the Creative thinking among students can be included.	Sessions are conducted during EAS for improving knowledge andcreative thinking among students.

CURRICULUM DESIGN AND DEVELOPMENT CELL

MBA, M.Sc. IT, M.Sc., N&D, B.Sc. Viscom, B.Sc. Zoology, B.Sc. Agriculture, B. Com (CS);B. Com. (FT), B.Com. Honors, M.Com. PA can be introduced	These programmes will be suggested to the management and based on the demand, will be introduced.
Kindly arrange for CSIR and NET coaching classes	Entry into Service Cell and the departments already offer coaching to crack the competitive examinations. Intensive coaching will be promoted. Under 2023 Curriculum, Career guidance is included as a Part-IV course for UG and Training for competitive exam is included as a Part-B Course for PG.
Additional major papers can be introduced in First and Second Year. It will be helpful to prepare for competitive exams.	Possible core courses are given as per the TANSCHE and UGC Guidelines
Nowadays students have more stress...... To reduce the stress, 1 Hour for PET can be introduced.	Under Part-V and Part C courses, Physical Education and Performing arts are included for the first year students. Possible steps will be taken to implement this for others also.
Shorthand classes can be conducted	Already conducted under Skill Enhancement Courses.
Legislations on freedom and rights of women can be introduced in the curriculum	'Women Rights' chapter is included in Value Education and General Studies courses for all the UG students.
Parents suggested to introduce updated syllabus to the students and also wanted to give them Placement training as offered by Engineering Colleges.	Need based syllabus is updated at the time of Revision and training sessions are organised with technical experts through Placement Cell.

Horticulture, Abacus, Stenography, Archery yoga, Dance, Skating , Drawing, Music classes can be introduced.	Horticulture and Yoga are offered as Certificate courses and based on demand analysis, other courses will be offered.
Conduct more campus interviews for students to avail more job opportunities.	Necessary steps will be taken by the Placement Cell for more number of campus interviews.
We don't want online education because cell phones are prohibited in our college. And also hostellers can't access their information given by the department.	After recovery from Covid-19 pandemic, offline education is offered by the institution.
