FEEDBACK AND STUDENTS GRIEVANCE REDRESSAL COMMITTEE

Feedback by Students on Curriculum: 2022-23 [ODD]

Actions taken for the Suggestions given by Students: 2022-23 [ODD]

Feedback by the students	Action Taken
DEPARTMENT OF ENGLISH	
<ul style="list-style-type: none">• Creative Writing can be introduced	'Creative Writing' Course is introduced as Certificate Programme during the Academic Year 2022-23. The Programme is open for both UG & PG.
<ul style="list-style-type: none">• Please reduce the portions for 'Literary Terms' or give materials with the brief definition and examples for each term. Its very difficult to understand.	Number of Literary Terms in each unit will be revised during the syllabus revision in accordance with TANSCHÉ Guidelines.
<ul style="list-style-type: none">• More interesting lessons and poems can be included.	Literary pieces have been offered in all the course to actualize learning achievements. Course content will be revised as per TANSCHÉ Guidelines during Syllabus Revision 2023.
<ul style="list-style-type: none">• Visual Communication can be introduced	The suggestion by the student will be discussed with the authorities.
<ul style="list-style-type: none">• Weekly test can be introduced	In the classes, students are encouraged to interact with the teachers and weekly tests are being conducted.
<ul style="list-style-type: none">• BEC can be introduced	BEC courses are being conducted since 2014 signing Memorandum of Understanding with Ebek Language Laboratories Private Limited to improve English Language standards of students.
<ul style="list-style-type: none">• Other language courses can be introduced	Others Language courses (French & Hindi) are being offered regularly under Part I Courses for UG Programmes.
<ul style="list-style-type: none">• Coaching for Mandrin Languages can be given	Feedback can be considered after demand analysis
<ul style="list-style-type: none">• Journalism in Arts can be introduced	
<ul style="list-style-type: none">• Course 'Design thinking for innovation' can be introduced.	The course may be offered in the near future under the certificate programme.
<ul style="list-style-type: none">• Offer courses related to internships	Internship is introduced as a part of curriculum for all the UG Students during the Syllabus Revision 2020.
<ul style="list-style-type: none">• Trending and flourishing areas in literature can be given more importance	Recent knowledge in literature is imparted in classroom teaching.

• Courses on 'Content Writing' can be introduced	Its already covered in a unit in the course MDEN2E- Career English.
DEPARTMENT OF TAMIL	
PG Tamil Students - During the second semester Please give us the option to choose the elective course as some students are interested in learning other major papers too. Please us the chance to choose courses offered by other Departments.	The Second Semester elective courses are open choice elective courses only. Students have freedom to choose any course as they wish. Hereafter, in addition to the common orientation for electives by CDDC, we will give a separate orientation in the class elaborately for our department students.
DEPARTMENT OF MATHEMATICS	
Modern Algebra can be introduced during the third semester in place of Mechanics since we lag in that content in Inter college competitions.	Modern Algebra is introduced in 3 rd Semester in Syllabus 2023.
Practical Oriented Mathematics course can be introduced.	Practical oriented Mathematics courses - MAPLE, MATLAB and R-Language - are being offered in the curriculum.
I UG [R] Students - Lab papers can be taught clearly and politely.	Instead of offering C and C++ together, the practical course will be split into separate courses C and C++.
Advanced computer courses can be introduced.	Advanced Computer courses such as C,C++ and Python are already being offered in the syllabus.
After the professor takes the class we need group discussion to recall the concepts we learnt in that class.	Discussion session is given to the students for writing Assignment and Quiz.
DEPARTMENT OF CHEMISTRY	
M. Sc., (Chemistry) - Physical Chemistry Syllabus is little heavy.	The suggestion by the student will be considered in the next syllabus revision.
DEPARTMENT OF COMMERCE	
Course on 'Business Analytics' can be introduced.	It is not possible to introduce as separate course, if possible the important content will be added in the course 'Business Statistics' during syllabus revision 2023. After demand analysis the course will be introduced as certificate programme.
C++ can be introduced.	It is being planned to introduce C ++ for M.Com. CA students during Syllabus Revision 2023.
Computer Courses should be in advanced form for B.Com. CA	We have planned to introduce Python, Java and C Programming for B.Com. CA students in Syllabus 2023

PG [CA] students - ' Adobe Illustrator' can be introduced.	Instead of Adobe illustrator,Adobe in-design will be introduced during Syllabus Revision 2023
DEPARTMENT OF BUSINESS ADMINISTRATION	
I wish Advanced computer courses related to Business and Banking can be added.	Content in the Course'BDBU3A – Computer Applications in Business'[Theory & Practical]imparts the computer knowledge required to deal with the business and online banking.
Courses to improve interpersonal skills can be added.	To impart interpersonal skills, content on personality, perception and stress management are included in the courses 'BDBU34 – Organisational Behaviour' and 'BDBU4DS – Personality Development'.
DEPARTMENT OF INFORMATION TECHNOLOGY	
'Cryptocurrency' can be introduced.	Cryptography was introduced, at UG Level,as a part of the course 'Computer Networks' in Unit V.
RDBMS can be introduced.	RDBMS Theory and RDBMS Lab is offered as Major Course in III Semester since 2017.
DEPARTMENT OF COMPUTER APPLICATIONS	
MCA Students - 'Web Designing' can be introduced.	MDCA13 – Web Application Development was introduced for I MCA students in Syllabus2020
MCA Students - Introduction of IOT based practical classes would be useful for projects	MDCA3E3 – Internet of Things was introduced for II MCA in Syllabus2020, Workshop and Guest lecturesare organised to impart skills required for developing projects in final semester.
MCA Students - Angular and Node.js courses can be introduced.	Angular and Node.js course was introduced as an Extra Credit Course to meet industry needs in Syllabus 2020.
DEPARTMENT OF MICROBIOLOGY	
Certificate or Diploma in 'Medical Coding' can be introduced	Certificate Programme in Medical Coding is introduced during the AY 2022-23.
Allocate single teacher for Major Courses and please try to teach unit-vice. I feel difficult to cope up.	While ensuring equitable distribution of workload, Single teacher could not be allotted for certain courses.
DEPARTMENT OF COSTUME DESIGN AND FASHION	
'Pattern Making and Grading' can be introduced	Already we have introduced this subject for I Semester .

DEPARTMENT OF HISTORY	
Courses on Laws can be introduced.	Legislations regarding Women, Children and laws relating to human rights are offered in Certificate Programme in Human Rights.
Courses on Inscription can be offered.	Five Day Workshop on Epigraphy was conducted from 27.3.2023 to 31.3.2023. After demand analysis the course may be introduced as certificate programme.
DEPARTMENT OF COMPUTER SCIENCE	
Try to offer data entry and data analytics related courses.	Data Entry is fundamental in Computer Science. In 2017 syllabus and existing 2020 syllabus, Data Entry is covered in the course "PC Software Lab". New Courses Titled "Data Analytics" Theory and "Data Analytics Lab" are to be introduced in 2023 Syllabus.
DEPARTMENT OF COMMERCE [PROFESSIONAL ACCOUNTING]	
'Graphic design' can be introduced.	Encouraged the interested students to join the Certificate Programme on Graphic Design
Tally Course can be introduced and it may be of very useful to us.	Tally Course is being offered in our syllabus.
Introduce new computer based courses.	Three Computer based courses will be offered in Revised Syllabus 2023.
We need Smart Class facilities for theory subjects.	Room No. A9 [LCS] and Room No. A10 [Smart Class] are optimally utilised for the B.Com. (PA) students.
DEPARTMENT OF BOTANY	
'Paleontology' can be introduced	Sufficient content is already incorporated in the courses 'Genetics' [UG] & 'Evolution' [PG]. Uplifting as a single Major Course is not required for the Botany Students.
DEPARTMENT OF PSYCHOLOGY	
Any Programme on 'Inner child' can be introduced	Steps would be taken to contact Anugraha Institute of Social Sciences, Dindigul to make this program a success

CURRICULUM DESIGN AND DEVELOPMENT CELL

Bachelor of Arts, Bachelor of Fine Arts-(B.FA), Visual Art, B.Sc., (Forensic Science) and M.Sc. (Nutrition and Dietetics) can be introduced.	Suggestions by students will be forwarded to the Management
Skill Enhancement Courses on Thread Embroidery, Horticulture, Aari work, Interior decoration, Martial Arts, Baking, Singing, Beautician, Ice cream making, Soap carving and Mehendi can be introduced.	Steps will be taken to introduce possible courses like Martial Arts, Singing, Ice cream making, Soap carving and Mehendi. All other courses were offered under certificate / skill / YWED course already.
Coaching for Staff Selection Exam, TNPSC Exam, SET and NET can be introduced.	Additional components will be incorporated in the curriculum during Syllabus Revision 2023. Intensive coaching through cells will also be strengthened further to crack the examinations.
Please increase the candidates' enrolment limit in typewriting course.	Will try to increase the batch to make use of the available facility.
Priority can be given for the Final year students while selecting the courses offered by YWED as they lost the opportunity during their First Year following Covid Lockdown.	Needful will be done through YWED Coordinators.
It will be great if we get some choices for the major elective paper also.	Based on the enrolment of students, the suggestion will be implemented.
Paper on CSIR and NET can be offered in PG.	PG curriculum covers the possible extend of syllabus given for CSIR and NET. Inclusion of professional competency course under PG Curriculum-2023 will also serve the purpose.
The content on General knowledge and current affairs can be added in the Curriculum which will be helpful to crack Government Exams.	Contact hours for Career guidance will be increased from 02 to 04 hours during the Syllabus Revision 2023.
Kindly Avoid uploading quiz and assignment in online or mobile phone.	Usage of software for assessment will equip the students to face the online competitive examinations confidently. Provision is also given to upload their assignment in the computer labs.
Kindly change the JO/SE courses; add new courses.	Courses will be revised during this year.
In examnr.io even though the given answer is correct due to some technical issues we lose our marks. So give marks to the correct answers.	Every now and then, such technical issues are resolved when represented formally.

Course on Aptitude can be offered for students of all the departments as it will be useful for all to get job opportunities.	Part IV Course 'Career Guidance' covers aptitude questions also.
It is suggested to conduct model exam.	Model examination is a component of CIA for all the practical courses. For theory courses, model examinations are conducted by the department for slow achievers.
Coaching classes for ACS/CAT can be introduced.	Separate coaching will be arranged based on the demand for the course/class.
Sports can be introduced as a course for All at least in Saturdays.	The possibilities will be looked over and the demand will be forwarded to Physical Directress also.

DEPARTMENT OF HISTORY

Feedback by the Students	Action Taken
Department of History	
Please introduce a course on 'Politics and Current affairs'. It will helpful to the students those who prepare for competitive exams	To have knowledge in Politics and Current Affairs, continuous reading of the articles especially the editorial page in the Hindu Newspaper is more than enough. Newspapers like the Dinamalar and the Hindu had been bought separately for the History students by our College Library. Furthermore, for the current affairs our curriculum offers GK (Career Guidance and Subject Viva) and Current Historical Essays to support the students for writing the Competitive Examinations.
