Prices in the Canteen and Store are too much high. Please check that	All the food items are prepared with ingredients of good quality and utmost hygiene is maintained by the canteen staff to ensure a safe and healthy eating experience for everyone. Hence, prices are fixed at reasonable rates to serve the needs of the staff and students.
We want our parents to be in the auditorium while receiving Graduation.	Graduation proceedings are live –streamed on large screen for the Parents and kids separately in the food court to maintain decorum inside the auditorium.
Interact with every student and encourage them for more achievements.	Realizing students' needs, the Course teachers always interact with students to overcome their challenges and weaknesses and motivate them to achieve their career goals. Through Ward Meetings and Expressive Articulation Session, the Tutors take care of their wards in person.
Placement Cell	
Provide TNPSC coaching from the first year of graduation. It will be helpful after graduation to enter a government job.	TNPSC Coaching is given by Entry into Service Cell of our college.
We expect Coaching Classes for NET and CSIR NET exams.	NET Coaching is given by Entry into Service Cell of our college.

Awareness on UPSC or other competitive exams can be given.	Demo on Applications for Group Exams was given by Mrs. Poonkodi Nakkiran Executive Manager, Ascent Force, Dindigul, for all II UG and I PG Students on 22-03-2025 .
Curriculum Design and Development Cell	
Artificial intelligence, Robotics, Machine Learning and Coding Courses can be introduced.	Courses on Artificial intelligence, Robotics, Machine Learning and Coding are offered by the department of Data Science and department of Computer Applications in their UG and PG curriculum.
B.Sc. Statistics, MBA, B.Sc. Forensic Science can be introduced.	On demand basis, these programmes will be introduced in the forthcoming academic years
English speaking skills and Entrepreneurial skills should be developed.	<ul style="list-style-type: none"> English is offered as Part-II course for all the UG students as well as soft skill courses are included in the curriculum for UG and PG students. Entrepreneurial skills of the students are identified and boosted up through various cell activities and through the conduct of Skill courses, YWED Courses and JO/SE Courses offered by the departments. ACIDE render hands to bring out the entrepreneurial potential of the students and to initiate startups.
Encourage students to pursue Corporate Secretaryship.	In collaboration with Corporate Secretaryship Association, Madurai, every year orientation programmes are organised for UG Commerce students to pursue CS
I request a unified certificate for the Job-oriented course.	JO/SE Courses form the part of regular curriculum and the academic performance of the students are included in their statement of marks. Hence, a separate certificate is not required.
Coaching for NET and CSIR NET exams	For UG students, Career Guidance Course and for PG students Training for Competitive examinations are offered as Part-IV courses under curriculum.
