CONSOLIDATED ACTION TAKEN REPORT OF THE EMPLOYERS’ FEEDBACK ON CURRICULUM

2024 – 2025

 <p>THE STANDARD FIREWORKS RAJARATNAM COLLEGE FOR WOMEN (AUTONOMOUS), SIVAKASI (Affiliated to Madurai Kamaraj University, Reaccredited with 'A+' Grade by NAAC, College with Potential for Excellence by UGC and Mentor Institution under UGC PARAMARSH)</p> <p>FEEDBACK AND STUDENTS GRIEVANCE REDRESSAL COMMITTEE</p> <p>ONLINE FEEDBACK BY EMPLOYERS ON CURRICULUM AND INFRASTRUCTURE AND SUPPORT FACILITIES: 2024-25</p> <p>Actions taken for the Suggestions given by Employers: 2024-25</p>	
Feedback by the Employers	Action Taken
Department of Mathematics	
Robotics course can be introduced	Guest lectures and Seminar on the related topic will be arranged.
Department Computer Applications	
I hope emerging technologies will be incorporated into the curriculum; if not; I would strongly recommend their inclusion	Curriculum is revised in accordance with the emerging technologies (JAVA, Python, ML)
AI and ML Course ; Teach about tools like Kafka, Apache Airflow, Git Lab	The following courses are offered in the curriculum <ul style="list-style-type: none">• 23PLC41-Machine Learning• 23PLC42 – Neural Network(AI) International Conference on AI & Cloud was organised on 20.02.2025 & 21.02.2025
Add Hands-on Mini Projects after every major topic (like building a calculator; a simple website).	Both Internship and Project are mandatory as per the Curriculum 2023.
Department Computer Science	
Give more exposure on industry practice and corporate management skills.	35 students of B.Sc Computer Science and M.Sc Computer Science have completed NVIDIA Certification titled “Fundamentals of Deep Learning” on 10 th and 11 th July, 2025.
Incorporate emerging technologies like AI, ML and Cloud Computing. Encourage internships, apprenticeships and industry collaborations. Include more practical projects and case studies relevant to industrial needs.	<ul style="list-style-type: none">• Advanced Machine Learning Technology course:23PLC41-ML is offered for M.Sc. Computer Science students during Third Semester.• MOUs have been signed with seven reputed institutions to facilitate the UG students to undergo internships in these institutions.• PG students are guided to undergo internship at Kamaraj College of Engineering & Technology and are

	trained to publish research papers in Journals.
CDDC	
B.Sc. Forensic Science; B.Sc. Statistics, B.A. Criminology and Police Administration, B.Sc., Hotel Management and Catering Services can be introduced	On demand basis, the programmes will be introduced in the forthcoming academic years.
Introduce more courses to improve communication skills	English is offered as Part-II course for all the UG students as well as soft skill courses are included in the curriculum for both UG and PG students.
Language skills are needed to express the learners' thoughts and they should have the habit of feel free to talk with new people	Expressive Articulation Sessions, Readers Club, Toastmasters Club provide ample opportunities to the students to improve their communication skills. Further efforts will be taken to strengthen their communication skills.
Extend the duration of Internship to One Month.	Students can undergo their internship during semester vacations for the required number of days. By getting special permission from the concerned authorities, the students can extend the duration of their internship
Give a chance to final-year students to do their dissertation work	Project is mandatory for all the final year UG and PG students as a part of their Curriculum.
Industrial visits can be helpful for the students.	Field work/field visit is mandatory for atleast one course per academic year for all the UG /PG programmes
Placement Cell	
Conducting a career guidance programme and more placements related to the field can be useful for the students.	Planned to conduct Career Guidance Programme in collaboration with Reliance.
