FEEDBACK AND STUDENTS GRIEVANCE REDRESSAL COMMITTEE

ONLINE FEEDBACK BY PARENTS ON CURRICULUM: 2024-25

Actions taken for the Suggestions given by Parents on Curriculum: 2024-25

Feedback by the parents	Action Taken
Department of Mathematics	
Artificial Intelligence \ Data Science \ Machine Learning can be introduced	23GMDE52 - Machine Learning was introduced as a second elective course during 2023 syllabus revision.
To develop the communication skill, Spoken English is suggested	Motivated the students to join NPTEL course in Spoken English
Department of Physics	
Students want to select courses as per their wish but our college is not giving the opportunity for their wish.	From this academic year, a separate Google Form has been circulated among students for choosing Certificate/Diploma Courses as per their wish.
Department of Computer Science(R)	
Introduce AI and Quantum Computing courses	In 2023 curriculum of B.Sc. Computer Science., Artificial Intelligence is offered as Discipline Specific Course during VI semester.
We need Ph.D. for Computer Science in SFR college itself.	This is the future plan of our Department for 2026 – 2027. Our department will apply to Madurai Kamaraj University at the end of 2025 – 2026.
Department of Business Administration	
Many lessons and topics are not taught by faculty.	Decided to implement a plan to collect feedback from the students to ensure that the faculty have completed the syllabus at the end of the semester.

Department of Computer Applications

They are studying very old syllabus; it didn't have any currently updated portions; so change that and teach currently updated portions to them (BCA)	Syllabus revision is done once in every 3 years and curriculum is updated to meet the emerging trends in MNCs and to fulfil the industry requirements.
AI; IoT and Cyber related courses can be introduced for future career growth (BCA)	The following courses are offered in BCA Curriculum to enhance their employability skills 1. 23GCS21 - Cyber Security & Digital Ethics 2. 23GLDE64 – IoT 3. 23GLC61 – Fuzzy Logic(AI Based)

Department of Nutrition and Dietetics

Sports Nutrition \ Paediatric Nutrition can be introduced	In the 2023, UG curriculum, 23GDDE61 – Sports Nutrition is offered during sixth semester.

Placement Cell

Placement offers are very lagging.	Planned to conduct more Training & On Campus Drives in this academic year 2025-2026.

Feedback by the parents	Action Taken
Department of Physics	
In lab the students were very stressed to do the experiment because the staff's behaviour was very bad towards the students.	All faculty members deal the students with patience.
Students want to select courses as per their wish but our college is not giving the opportunity for their wish.	From this academic year, a separate google form has been circulated among students for choosing certificate/diploma courses as per their wish.
