FEEDBACK AND STUDENTS' GRIEVANCE REDRESSAL COMMITTEE

ONLINE FEEDBACK BY STAFF ON CURRICULUM: 2024-25

Actions taken for the Suggestions given by Staff on Curriculum: 2024-25

Feedback by the Staff	Action Taken
Department of Tamil	
Courses on Counselling and Mass Communication can be introduced.	○ 'Mass Communication' Course is already offered in PG curriculum. The Department has planned to conduct Summer Internship for students on this title in the next academic year. ○ Courses related to Counselling are offered by the Department of Psychology.
Department of Mathematics	
Lecture Capture System can be installed in all classrooms.	Allotments for LCS hours are enough to handle all courses.
Practical classes should be included for computer language courses during the next syllabus revision.	For programming language courses such as Python, C++, R, etc., practical sessions will be added in the next syllabus revision
Department of Physics	
The usage of course material instead of textbooks can be limited for major courses.	Course materials are permitted only for Non-major Electives and Job Oriented/Self-employment Courses.
Department of Chemistry	
In order to equip the students with practical skills weightage for practical courses should be increased.	○ Weightage for Practical Classes will be increased during the next syllabus revision. ○ Industrial Visit, Lab Visit, SIC Visits, are arranged regularly
Introduce more entrepreneurial related courses under discipline specific courses.	The following Applied Chemistry papers are introduced in the curriculum which help to improve the industry readiness and entrepreneur skills of students: ○ 23GCDE53 - Industrial Chemistry ○ 23GCES3L - Home care products
I felt that if Q.No4 in this feedback form has to be changed as {Syllabus is need-based and relevant to the PROGRAMME} instead of COURSE.	The correction cited by the faculty will be incorporated in the Feedback Form.

Department of Botany	
More Entrepreneurship courses can be introduced in the curriculum so as to ensure placement after graduation.	Courses like 'Career Opportunities in Botany' and 'Herbal Cosmetics' in UG and 'Entrepreneurial Botany' in PG are already included in the Curriculum. Much focus will be given to emerge the student as an entrepreneur.
Department of Computer Applications	
AI and IOT lab can be constructed.	This suggestion will be considered.
Department of Commerce	
For B.Com. (Computer Applications) Progroamme more Lab Courses must be included.	Lab courses being offered for B.Com. CA students are listed below: 23GKEG1L - Office Automation Lab 23GKDE33 - Python Programming [2Lab Hour per week] 23GKDE4L1 - RDBMS Lab 23GKDE64A - Programming in JAVA 23GKC52- Project with Viva – Voce 23GKDS3L- Accounting software lab 23GKEG22- Programming in C++
Department of Business Administration	
Need to include Computer Application in Business Course in the curriculum.	We have planned to include the course 'Computer Applications in Business' during 2026 syllabus revision.
Curriculum Design and Development Cell	
One Hour per week –Courses contact hour can be changed.	The contact hours of such required skill courses will be increased to a minimum of Two Hours in the 2026 curriculum revision.
Regularly review and update the curriculum based on emerging trends.	Annual conduct of BoS and Academic Council Meeting will facilitate the review and reformation of curriculum based on emerging trends from the next academic year onwards.
The duration of the internship with a monthly stipend is from 2 to 6 months. For the selected students; special provisions shall be included in the curriculum to avail this opportunity.	For the selected students, special provisions will be included in the curriculum. The suggestion will be considered for the programmes with stipend internship *viz.*, B.Sc. Computer Science, BCA., M.Sc. Computer Science, B.Com. Professional Accounting, B.Sc. CD&F, B.Sc. MB, B.Sc. N&D *etc.*, during 2026 Syllabus Revision.
Completion of at least one course offered by Infosys Springboard shall be made mandatory at any point during the entire duration of the programme.	o Completion of minimum of Two Online Certificate Courses will be made mandatory in the 2026 Curriculum Revision.

	○ A Faculty Development Programme (FDP) was conducted on 25th July 2025 to promote the effective use of the Infosys Springboard platform among teaching staff and to facilitate the students to enroll in the course offered by Infosys Springboard.
Kindly change the Section A questions to Very Short Answers instead of MCQs in the Term Test.	In the term test, very short answer can be included by the course teacher for K2 and K3 level questions under section A. For facilitating the students to crack competitive examinations like NET/SET, MCQ pattern shall be used at K4 and K5 levels.
