Any other Suggestions : It is a well-structured syllabus, essential for the NET/SET aspirants. Writers & Poets of 19th century is missing but they are included in Co1 as it is general. As the Units II to IV focus on types of Dramas mostly, mixing of poets and novelists is possible. Like Unit V, writers of the type of Dramas can also be mentioned in the syllabus. When syllabus focusses on genres/types, Cos are based on writers. Cos is highly appreciable.
