**Consolidated Report on the Alumnae Feedback - 2024-2025**

The Consolidated Alumnae Feedback Report compiles responses from former students regarding the college's curriculum, teaching, resources, and facilities. The feedback also addresses the effectiveness of Outcome-Based Education, the availability of job-oriented courses, and the quality of placement services. This report is intended to offer valuable insights for institutional improvement, ensuring the college continues to deliver a high-quality educational experience.

**Communicative English helps to build better inter-relationship in the work place.**

Our curriculum is designed to provide students with a well-rounded education by integrating communication and soft skills. We actively cultivate an environment that fosters strong communication abilities, preparing students for success in their academic, professional, and social lives. Alumnae feedback consistently validates this approach. Out of 185 alumnae respondents, 71 strongly agreed that Communicative English helps in building better inter-relationships in the workplace, while 100 agreed. Fourteen respondents partially agreed, and none disagreed.

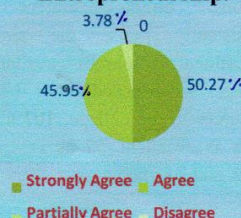

**Communicative English helps to build better inter-relationship in the work place**

**Content of the curriculum is career oriented and inculcates Entrepreneurship.**

To meet the demands of today's job market, we have adopted a strategic approach by integrating **entrepreneurship** into our curriculum. We offer specialized job-oriented and skill-enhancement courses, complemented by hands-on internship opportunities at local businesses and startups. These programmes are specifically designed to provide students with the skills and mindset essential for entrepreneurial success,

**Content of the curriculum is career oriented and inculcates Entrepreneurship.**

a fact consistently validated by our alumnae's positive feedback on career development and entrepreneurship. A total of 93 alumnae strongly agreed that the curriculum is career oriented and promotes entrepreneurship. Another 85 agreed with this view. Seven respondents partially agreed, while none disagreed.

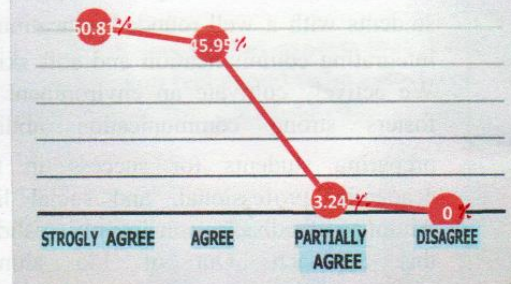

**Curriculum is Outcome based and all expected Course Outcomes and Programme Outcomes are attained.**

Our **Outcome-Based Education (OBE)** approach is designed to enhance the quality of education and improve student learning. By promoting a goal-oriented method of teaching and learning, we better prepare students for real-world challenges. The primary aim is to introduce students to diverse career and entrepreneurial opportunities while cultivating the skills essential for both employability and entrepreneurship. Our alumnae affirm that our curriculum is outcome-focused, and all course and program goals are effectively met. Ninety-four alumnae strongly agreed that the curriculum is outcome-based and achieves the expected course and programme outcomes. Eighty-five agreed, six partially agreed, and none disagreed.

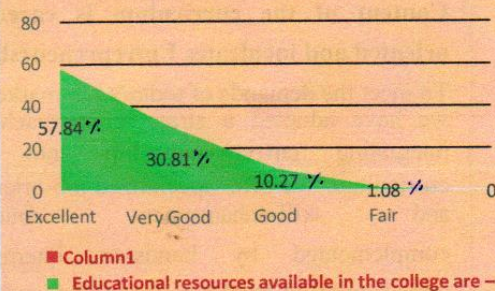

**Educational resources available in the college are –**

Our institution offers students extensive educational resources, including a well-stocked library with a wide selection of books, journals, magazines, newspapers, and various online sources. Alumnae consistently praise the abundance of educational resources available at our college. When asked about the educational resources in the college, 107 alumnae rated them as excellent, 57 as very good, 19 as good, and 2 as fair.
