About the College

The Standard Fireworks Rajaratnam College for Women (SFRC), Sivakasi, established in 1968 in the cherished memory of the eminent philanthropist Thiru. N.R.K. Rajaratnam, was founded with the noble vision of empowering rural women through quality higher education and enriching their socio-economic development. Over the decades, the institution has made significant contributions towards academic excellence, skill development, and holistic empowerment of women in and around Sivakasi. Recognized for its unwavering commitment to quality education, SFRC has achieved several prestigious milestones. The college was awarded Five-Star Status by NAAC in 2002, followed by 'A' Grade accreditation in 2008. In 2011, the institution received the distinguished status of "College with Potential for Excellence" from the University Grants Commission (UGC), acknowledging its sustained efforts towards academic and institutional growth.

In 2019, the college was approved as a Mentor Institution under the UGC PARAMARSH scheme and signed MoUs with six Mentee Institutions, guiding them in their accreditation process. The institution further strengthened its position as a centre of excellence by securing the prestigious "A+" Grade in the Fourth Cycle of NAAC Accreditation in 2021–2022. It was also honoured with the OBE Rankings 2025 under the Titanium Band by R. World Institutional Ranking. The college holds an ISO 9001:2015 certification and has received several accolades, including the Best Green & Clean Campus Award, Certificate of Social Responsibility, and the Nature Science Foundation Inspection Certificate. These remarkable achievements reflect the institution's unwavering commitment to quality education, sustainable practices, and social responsibility, establishing SFRC as a distinguished institution of higher learning in Sivakasi.

About the Department

The Department of Commerce Computer Applications (SF) embarked on its journey in the year 1999 From its humble beginnings as a UG Department, the department has now completed 25 glorious years of academic excellence, with the PG Department established in 2003–2004. The vision of our department is to inculcate entrepreneurial culture in the minds of the younger generation.

Hard work, dedication, and research expertise of the faculty members have transformed the department into a powerhouse of knowledge, enabling students towards quality education and overall personality development. The department regularly organizes workshops and seminars for students to upgrade their knowledge regarding the latest developments in the fields of Commerce, Computer Applications, Management, Banking, and Finance, etc.
