ABOUT THE COLLEGE

The Standard Fireworks Rajaratnam College for Women brims with pride at the significant milestones erected along the way, ever since its inception in 1968. In 1969, UG Courses were introduced followed by PG Courses in 1980. The plea and demand from the student community for more courses had led to the launching of the Self-financed Courses in the year 1993. The advent of autonomy has given us the freedom to innovate, improve and enhance our academic calibre. The National Accreditation & Assessment Council of Bangalore, crowned the institute with "A+" Grade in the fourth cycle of Reaccreditation in 2021. The college was bestowed with the unique honour of "College with Potential for Excellence by UGC in 2011 and 2017 respectively. Every challenge has been innovatively tackled on the pathway to progress and has steered the institution to scale greater heights. Today, SFRC stands as a dynamic testimony of devoted service towards the cause of higher education, by crossing the glorious Golden Jubilee Milestone.

ABOUT THE DEPARTMENT

The Department of Commerce (Aided) is exemplarily bestowed with the very strong team of dedicated and experienced academicians. The success story of the department can be pronounced with the facts that our Department, being the forerunner in the college has produced 132 M. Phil Scholars, 25 Doctorates and was granted funds by the University Grants Commission for Post-Graduation Commerce Programme in Banking Technology, Two Career Oriented Programmes under the Scheme of Innovative Programmes and Major & Minor Research Projects by the faculty. The Quote "Putting Theory into Practice" has been aptly applied by our Department by initiating students to undergo Internship Training and undertake Projects by signing MoUs with Banks, Industries and Sivakasi Branch of SIRC of The Institute of Chartered Accountants of India for the diverse programmes being offered. The students are given ample opportunities to access to experiential learning, including practicums, field experiences, and service learning opportunities. To enrich their knowledge Seminars/Workshops, Guest Lectures and career counselling programmes are organized at frequent intervals. The Department of Commerce (Aided) unveils the countless opportunities at local, regional, national and global scales in the business world.
