BACKGROUND

The Mathematics Training and Talent Search (MTTS) programme is one of the most popular and significant training programmes in India. This programme has been running since 1993 and has made an impressive impact on the Mathematical Science in the country. We receive a large number of applications from all parts of the country, but due to limitation of resources and seats, lot of deserving students do not get a chance to participate in main camps of the MTTS. In order to provide opportunities to a large number of students at regional levels, an Overture (also known as mini-MTTS) programme has been initiated and runs on the same line of the main MTTS.

OBJECTIVES

The objectives of the programme are

- to give the students a taste of the MTTS classroom,
- to initiate MTTS way of learning among the students,
- to make the students experience joy in finding results / definitions / examples which otherwise they found to be dull or difficult.
- to suggest to the students about resources where from they can learn.

THE ORGANIZING INSTITUTE

Sivakasi is an industrial town with a rural background in Virudhunagar District, Tamil Nadu and is at a distance of 75km south west of Madurai. "The Standard Fireworks Rajaratnam College for Women" was established in 1968, in memory of the late philanthropist Thiru N.R.K. Rajaratnam, whose pioneering spirit in business and industry has earned for himself an indelible niche in the annals of Sivakasi.

The National Accreditation & Assessment Council of Bangalore, crowned SFRC with the Five Star Status in 2002, followed by 'A' Grade in Sep. 2008. On 16th September 2011 the college was bestowed with the unique honour of "College with Potential for Excellence" by UGC. Under UGC – PARAMARSH scheme for mentoring NAAC Accreditation Aspirant Institutions, our college has been approved as Mentor Institution in the academic year 2019-2020. In the Fourth Cycle of Accreditation SFRC has again been awarded 'A+' Grade in 2021.

The Department of Mathematics is started right from the inception of the College at P.U.C. level. The Department of Mathematics offers Graduate and Post Graduate Programmes under Choice Based Credit System with OBE. The Department has 11 Faculty members to strive hard to maintain a record of good service with the vision of offering quality teaching, inculcating social responsibility and blossoming of human excellence.

The unique feature of the Department is that it has been co-ordinating the Virudhunagar District Cluster Colleges Programme in Mathematics for the past 35 years. The Department has registered a steady growth, right from its inception in 1968, strictly adhering to the visions of the College. It caters to the overall development of the students through various Competitions, Seminars/ Workshops / Conferences. The Department is upgraded as PG & Research Department from the year 2022 onwards.
