About the College

"The Standard Fireworks Rajaratnam College for Women" was established in 1968, in memory of the late philanthropist Thiru.N.R.K.K.Rajaratnam. "The Standard Fireworks Educational Charities Trust" that paved the way for the higher education and intellectual upliftment of rural women in and around Sivakasi. Over the past five decades, our college has played a stellar role in touching and shaping the lives of young women who have contributed to society as successful career women and responsible citizens.

The teaching-learning process that imparts knowledge that constantly evolves and ultimately leads to its recognition as a College with Potential for Excellence. The National Accreditation & Assessment Council of Bangalore, crowned SFRC with 'A+' Grade in the fourth cycle of Accreditation in 2021. Our college has been approved as Mentor Institution by UGC – PARAMARSH scheme for mentoring NAAC Accreditation Aspirant Institutions. Lush green environment, infrastructure facilities and learning resources available in our institution are the vital factors that ensures the quality of the academic and intellectual nourishment of the students. SFRC stands as a dynamic testimony for its industrious perseverance, meritorious achievements and devoted service towards the cause of higher education.

About the Department

The Department of Commerce Computer Applications (SF) embarked its journey in the year 1999. From its humble beginning as UG Department, it is entering the 25th glorious year with PG Department in its academic life. The vision of our Department is to inculcate entrepreneurial culture in the minds of younger generation.

Hardwork, dedication and research expertise of the faculty members pushed the department to a powerhouse of knowledge which enable the students towards quality education and overall personality development.

The Department regularly organizes workshops and seminars for the students to upgrade their knowledge regarding the latest developments in the field of commerce, computer applications, management, banking and finance etc.,

About the Workshop

To commemorate the 25th year of our academic journey, the Department is organising a one-day workshop tailored for postgraduate students in the field of commerce. IBM SPSS Statistics is a powerful software package widely used for statistical analysis, data management, and reporting. In academic arena it supports data mining techniques and predictive analytics. This workshop will enable the learners to uncover patterns, trends, and insights in their data.

Experienced resource person with a strong background in both SPSS and commerce discipline will guide participants through out the workshop, ensuring a comprehensive learning experience.

Objectives of the Workshop

This Workshop helps the learners to –

- ❖ equip themselves to input and manipulate data effectively using SPSS.
- ❖ explore descriptive statistics to summarize and present data meaningfully.
- ❖ gain insights into inferential statistical techniques to draw conclusions from data.
- ❖ engage in a practical session where each participant works independently in the lab, applying SPSS concepts.

Registration

- ❖ Registration Fee: 150/-
- ❖ Registration fee includes seminar kit, refreshment and lunch.
- ❖ 5 to 8 PG Students / Research Scholars of Commerce and Management disciplines are eligible to participate in the workshop.
- ❖ Spot registration is not allowed.
- ❖ Last date for Registration : 28.02.2024
Limited participants only.
- ❖ To secure your spot, please register by filled registration form via mail to sfrcomsfca@sfrcollege.edu.in.

>Scan the code for Registration fee payment
>whatsapp the Screenshot of payment details along with your name, Major and Your College Name to 9600995028
