

Analysis of the Survey (2020-2021)

Q.No. 21. Give Observations / Suggestions to improve the overall teaching-learning experience in your institution.

OBSERVATIONS

- ★ The teaching Faculty is very energetic and kind to resolve all our queries regarding the course content.
- ★ The teaching and learning process in the institute is very good. To greater extent Efforts are made by the teachers to inculcate soft skills, life skills, and employability skills.
- ★ Present teaching-learning experience in the college is good enough to nourish knowledge and to gain both theory and practical knowledge effectively.

SUGGESTIONS

- ⚙ Increase the number of books in the library
 - ⚙ Smartboard facility in every class
 - ⚙ LCS classes can be increased
 - ⚙ Improve the multimedia and projector class
 - ⚙ Need more time for PG Project
-
